Protect your Family Protect your Guns, and Valuables

Security Products has manufactured high quality Safes and Vault Doors since 1974. We are confident we produce the best product on the market for your Valuables, Security, and Peace of Mind.

Centurion Bolt Action Safes

- One-inch Stainless Steel Bolts
- Rack and Pinion type Gear Action

Three choices of Locking systems:

- Recessed Key Lock- Two independent locks which control the movement of the bolts (See photo below).
- Mechanical Combination
- Electronic Combination

Maganol Steel is installed in critical parts of the door for increased reinforcement and security.

Built in Fire Protection

Three levels of protection to meet your specific needs. All levels include double gasket fire doors.

- Single Fire - Protected to 1200 degrees, for 30 minutes, single gypsum fire rock lining.
- Double Fire - Protected to 1550 degrees, for 30 minutes, two layers of gypsum fire rock lining, and 16 gauge metal inner liner.
- Ceramic Fire - Protected to 2400 degrees, for 30 minutes, a Ceramic Blanket, a layer of gypsum fire rock, and 16 gauge metal inner liner.

Custom Interiors

Security Products Gun Safes offer a variety of Interior Options.

- Door Trays
- Pistol Hooks
- E-Z Gun Rack kits, which can be configured for the Sportsman or Collector Customized Interiors.
